WSDOT Construction Activity & Possible Delays/October 16-26, 2003

SR 20-Clark Street/City of Republic (MP 303)-Utility and sidewalk work underway. This is a City of Republic project. Contact (509)775-2929.

I-90/Salnavé Road Interchange to Geiger Blvd. Interchange (MP 265-275)- Minor items.

I-90/ITS Communications System (Sunset Hill to Argonne Project)-No traffic impacts.

VERY HIGH IMPACT!! I-90/Argonne to Sullivan (MP 287-292)- The process of reconfiguring the westbound traffic flow to the new adjacent temporary lanes continues:

- During weekends Interstate 90 may be reduced to one lane in both directions at various times, day or night. Motorists should expect congestion, slow traffic, and delays.
- During the week, evening and overnight lane closures should be expected.
- No changes to the eastbound traffic lanes until next Spring.

US 195/Spangle to Excelsior Drive (MP 80-88)-No work.

SR 290-Trent Avenue/Spokane River Bridge 290/4 Replacement (MP 0.4-0.6)- Work continues on this bridge replacement project between downtown and just west of Hamilton Street. Trent Ave. is closed to through traffic between Riverpoint Blvd. and Cincinnati Street. Detours are fully signed. Access to all businesses on Trent is available. This is a long-term closure.

US 395/Hatton Coulee Rest Area (MP 66)-The Hatton Coulee Rest Area is closed until further notice due to water system problems.

US 395-Division Street/Hastings Rd. to Farwell Rd. (MP 166)-Work is underway to add a southbound turn lane and intersection improvements at this location. Motorists should expect shoulder closures and intermittent lane restrictions in the southbound lanes at times.

US 395/Immel Rd. to Arden (MP 212-223)-Minor items with possible short delays with flaggers directing single lane traffic at times.

SR 904/Cheney to Four Lakes (MP 12-16)-No work.
